Party Size:

In order to keep the quality of our work Lidia can do a maximum of 6 services (*hair OR makeup* is considered ONE service) per booking given that there is enough time, however if your party needs more than these services or if time is limited an additional artist(s) will be hired to accommodate your group and a \$100 per artist will be charged however we require a minimum of 4 services per extra hired artist. For bookings beyond Squamish-Whistler area there will be a minimum requirement of 4 services. Saturday bookings have a minimum service requirement of \$1,000.

Lashes:

Every makeup application includes false lashes; makeup application price remains the same if lashes are not required.

Trials: All the trials and consultations are done in my home studio in Squamish, if you wish for me to come to a place outside of this area a travel fee will be added.

Travel Fees:

SquamishComplimentary (ValleyCliffe, Downtown, Brackendale, Highlands)

Outside of the Squamish area including Upper Squamish, Britannia Beach and beyond a fee of 0.65 cents per km round trip will be charged for me and any additional artists

- **Hair Extensions:** Available to rent for \$90 and must be returned after the wedding
- **Hair accessories:** We have a small selection of bridal hair accessories for purchase.

Parking:

Parking fees (if required) for my assistants and myself will be added to your room.

Early Start Fee

Please note that your booking will have an early start fee of \$35 per hour per artist when starting before 8am

Booking Process:

Once you let me know that you decided to book with us I will send you a **Booking Form** that I will get you to fill out, then I will email you an invoice and a 30% non-refundable deposit will be required to secure your date as well as a service contract that must be signed and email back to me within one week. Please note that bookings are at a first come, first serve basis and without the deposit your date is not confirmed.

Cancelations or Changes:

We understand that unforeseen things may happen and sometimes there is a need to reschedule/cancel your big, anticipated day.

If you need to reschedule your booking for ANY reason, your deposit will be moved to the new date with a \$85 fee and the new date must be re-booked within a year.

Your deposit will be valid for **one year** after it has been paid; if you need to reschedule your wedding for longer than a year, a new deposit will be required and new pricing might apply.

Please note that as a small business we work very hard to accommodate people's requests and many times we turn down business because we are already booked, if you decide to cancel your booking last minute we will be losing out on other bookings and income so we require at least one month cancellation notice. If cancelling outside this policy your invoice will be fully due.

Any changes to the amount of services required from the original invoice will be subject to current pricing for services, which may be different from the prices shown above. Changes to the invoice will only be allowed up to **one month** before your booking date.

*Prices are subject to change without notice

Any additional questions, concerns, or special requests please don't hesitate to ask.

I look forward to creating the perfect look for your Big Day!
